PLEASE NOTE:

Production runs for TRIM are never the same as FIELD TILE. While every effort is made to try to ensure shades within an acceptable range, some allowance must be made for shade/tonne match.

We go to great lengths to make trim available FOR OUR FIELD TILE. If/when we are able, we will accommodate your request, but we reserve the right to politely decline supplying our trim for use with other FIELD TILES.

WALL

Wall Tile

TESSUTO WALL TILES are produced from a Red Clay (Pasta Rossa), and are Low Fired resulting in a softer clay body with a more subtle, but delicate glaze surface. While perfectly suited for WALL APPLICATION, are not suitable, or recommended for, FLOOR APPLICATION.
